

Module Exemption Application Form

Where a student has successfully undertaken a module she/he may petition for an exemption from attending classes in that module. This will only be considered where a student has Official Documentation to support their application and processed accordingly as laid out below:

This form is to be completed by a centre if and when it wishes to claim an exemption for an existing component towards a new common major award.

N.B. Students who wish to apply to Higher Education courses need to check individual Universities entry requirements as some Universities require all results from one sitting.

Class Code Learner PPS Learner Mobile No. Major Award Title Major Award Code Component Title Component Code Assessors Name f a student is claiming an exemption for a migrated component, please complete the otherwise please sign and date the form.
